

Email from 4/3/20

Hi CSP Students & Families,

Thank you for all the communication as we continue to navigate these uncertain times. I have attached our most recent management plan for CSP with a few important updates, which I have outlined below:

- We are attempting to gauge interest in a virtual social event and all students were sent an email with the link. Once we have a better idea of what everyone is interested in, we will organize the social. More information to come!
- Rutgers provided additional information about the option for Pass/No Credit - see FAQ link on page 3
- Barchi sent out an email about commencement, which has been added to the attached document
- Summer courses are expected to be online until at least August 14th. Students should connect with advisors to discuss their options for the Summer and Fall 2020 semesters

If you have any questions at all, please feel free to reach out. I am happy to connect and speak through any of the updates.

Stay safe,

Courtney
