Subject: Updated CSP Plan

Happy Friday, CSP students & families,

I have attached the updated Management Plan for CSP. There is updated information about our Social Events, so please look that over carefully as there are a few additions.

I have also added a new section on the first page regarding a Newsletter that will be sent out next week. The Rutgers Center for Adult Autism Services (RCAAS), of which CSP is a part, is launching a newsletter entitled *On the Spectrum in Adulthood*. CSP families have automatically been included on the email distribution list. We hope you find it interesting, informative, and full of helpful resources; however, should you have any concerns or wish to unsubscribe, please email me privately.

If you do have any questions about these updates, please do not hesitate to reach out. I am always happy to discuss it!

Thank you all for the continued communication and enjoy your weekend.

Courtney
