Activate Webex Account

1. Go to: https://netid.rutgers.edu
2. Click on Service Activation
3. Log in with your NetID credentials
4. Select the Rutgers Webex check-box

If you require activation for an email service not listed here, please contact help@eit.rutgers.edu or your local IT support staff for further assistance.

You qualify for the following services
Please select all the services you want to activate
- Rutgers Connect Office 365 for Rutgers employees [You already have this account]
- ScarletApps, including ScarletMail Google for Rutgers
- Box (rutgers.box.com) Cloud storage platform
- Rutgers Webex Webex for Rutgers employees [NOT for RESTRICTED data controlled by HIPAA or other regulation]

5. Click on Activate Services

Protected Health Information (PHI) Notice: You have been identified with a department/unit/school that has restricted data as defined in Section 70 of the Information Classification Policy (http://policies.rutgers.edu/view-policy/). The selected service and applications associated with this service must not be used to communicate or store University restricted data or patient Protected Health Information. Doing so represents a violation of the federal HIPAA’s Privacy Security rules, state or local privacy laws, or University policies.

You will receive a confirmation in the email with more details on your Rutgers WebEx account and then be able to log in to the Rutgers WebEx website, https://webex.rutgers.edu

If you need further assistance, please contact GSAPP-IT:
