

Update - Externship Placement

Attention Psy.D. Students:

Rutgers University has received a waiver from the governor's office to resume in-person clinical care, following CDC guidelines. In response to COVID-19, our expectation is that your site will follow their state's COVID-19 safety guidelines and CDC safety guidelines as applicable which can be found <https://www.cdc.gov/coronavirus/2019-ncov/community/index.html> .

<https://coronavirus.health.ny.gov/protect-yourself-and-your-family-coronavirus-covid-19> (New York)

<https://covid19.nj.gov/> (New Jersey)

<https://www.pa.gov/guides/responding-to-covid-19/> (Pennsylvania)

For our Psy.D. students:

If you have COVID-19 related safety concerns at your site, you should report those concerns immediately to your site supervisor and your training director.

In the meanwhile, students may participate in onboarding procedures following the same precautions. Clinical PsyD. Students are expected to return to practicum beginning July 1st, which corresponds with the new term of many practica sites. If you have any questions, please reach out to Dr. Connie Hoyos Nervi, Assistant DCT, connie.hoyosnervi@rutgers.edu.

For Psy.D. students who have matched to APPIC internship sites, you must follow APPIC guidelines, as the match agreement is binding. If there are any concerns, please reach out for guidance.
