Subject: DDDC Update 7/2/20

Hi Faith,

Please send this to our ADULT program families.

Thanks,

Cat

To our Adult program families,

We hope you and your families are well. We wish anyone sickened by this virus a speedy recovery and we are keeping those who have lost loved ones to this illness in our thoughts.

Although we have not yet received approval from the Division of Developmental Disabilities to open our adult program, the DDDC is working actively to develop a reopening plan that will prioritize the safety of your adult children and our staff once we can open. We look forward to seeing your adult children in person as soon as possible.

Please let us know how we can support you and your family during this period of remote operations.

We wish you a safe July 4th weekend.

Cat
